

# Watershed Fly Fishing

## Rules & Conditions

### 1. Safety First

---

Life Jackets: Must be worn at all times. Provided for all passengers.

---

Weather: The guide has final say on weather-related decisions. We don't fish in lightning or unsafe conditions.

---

Alcohol & Drugs: No drugs. Moderate alcohol, we're not going to deny you a beer on board but please be sensible.

---

Footwear: No cleats, studs, or heavy boots. Please wear soft-soled, non-marking shoes.

---

### 2. Gear & Casting

---

Rod Use: Bring your own or use our provided high-quality fly rods. Please handle gear with care.

---

Casting Area: One angler at the bow and another at the aft unless otherwise directed. Watch your backcast—no false casting over others.

---

Hooks: Barbless hooks only. Sunglasses essential. Will be provided if you don't have your own.

---

### 3. On the Boat

---

Stay Seated When Underway: Remain seated while the boat is moving.

---

Tidy Deck: Keep gear stowed when not in use. Minimise clutter to prevent tripping hazards.

---

### 4. Catch & Release Policy

---

Conservation-Focused: We practice catch-and-release.

---

Fish Handling: Your guide will assist with handling and photographing fish for minimal stress to the fish.

---

### 5. Respect the Resource

---

Leave No Trace: No littering. Everything you bring on the boat must go back with you.

---

Wildlife: Respect all wildlife and other anglers on the water.
